AKYÜZLER

1975

Akyüzler Karoser, Naci Daldiken tarafından bir aile şirketi olarak Nevşehir'de kuruldu.

AKYUZLER KAROSER was founded as a family owned-company by pioneer Naci Daldiken in Nevsehir Industrial Field.

1990

90'lı yıllarda ahşap karoser üretimindeki eksikliği fark eden Akyüzler, üretim sürecini o zamanın en yüksek teknolojisi ile geliştirdi ve Akyüzler Karoser Malzemesi ve Ekipmanları Tic. Ve San. Ltd. Şti. ismiyle sektörde lider konuma geldi.

In 90's we improved production proccess with the highest technology of that time and than we were placed as leader in the name of Akyüzler.

2001

Nevşehir Özel Organize Sanayi Bölgesi'nde 8000 metrekare açık 5000 metrekare kapalı alanda yeni fabrikasını kurdu.

We established new factory in Nevsehir Industrial area in 8000 meter square open area 5000 meter square closed.

2005

Büyüyen ve gelişen firma, Nevşehir'den sonra İstanbul ve Konya'da şubeler açtı. Treyler, semi treyler ve kapalı kasa ekipmanlarını da ürün skalasına ekleyerek ürün çeşitliliğini artırdı.

As a result of new investments on production semi trailer and refrigerated body accessories, expanded its network by openenng Istanbul and Konya branch Offices

2008

Bulunduğu konumun farkındalığıyla üretim kalitesini geliştirmek için üretim süreçlerinde ve Kalıphane merkezlerinde AR-GE çalışmalarına başladı.

We knew our place and to make it more sustainable, started RD(Research and Developlents) activities in mold designs and production processes.

2009

UNECE karayolu araç ve taşıtları uyumlaştırma kapsamındaki ve Yük sabitleme ve taşıma güvenlik belgeleri edinip Orta doğu ve Avrupa ülkelerine ihracat yapmaya başladı.

The company was acquired certification UNECE and Load Security certifcations which are globally accepted. This opens to the gate of export to Europa and Midlle East

2012

Artık tek fabrika ile yetinemeyen Akyüzler Karoser, Nevşehir Organize Sanayi Bölgesi'nde 5000 metrekarelik alanda yeni bir fabrikanın temellerini attı.

The current factory was inadequate, it was decided to establish another 5000 meter square closed factory in Nevsehir Industrial Field.

2013

Türkiye'den sonra dünyaya açılarak ihracat için tüm gerekli belgeleri edindi ve dünya pazarına, Avrupa, Orta Doğu, Afrika, Rusya, Bağımsız Devletler Toplulukları'na (CIS) katkıda bulunmaya başladı.

We had achieved all the standardization period, our contribution was not only for Turkish market but all the European, Middle East, Russia, Africa, CIS countries

2014

Avrupa Birliği İstihdam Destekleme Projesi kabul edilen Akyüzler, plastik entegre tesisine geçiş yaptı.

Our project team carried out a new project to establish plastic integrated plant supported by the European Union.

2016

3 kıtada 15'ten fazla ülkeye ihracat yaparak katma değeri yüksek ürünlerini dünyanın farklı yerlerine sundu. İthal ettiği ürünlerle ürün gruplarını artırırken hem iç hem de dış piyasada ticaret ağını büyüttü.

With high added value products export reached to throughout 3 continents more than 15 countries. The product range has been increased, the imported goods to our country is now marketted both in internal market and foreign market.

2021

Üretim kapasitesini daha da arttırarak Amerika'ya da ihracat yapmaya başlayan firmamız, ticaret potansiyelini bir üst seviyeye taşıdı.

By increasing production capacity and fame, started to export America continent, the marketting potantial moved to the further step.

2022

Bugün, gelişen ve değişen teknolojiye uyum sağlayarak tercih edilen ilk firma olmak için üretim kalitesini Avrupa standartlarının üzerine çıkarma hedefiyle hizmet kalitesini her geçen gün artırarak yoluna emin adımlarla devam ediyor.

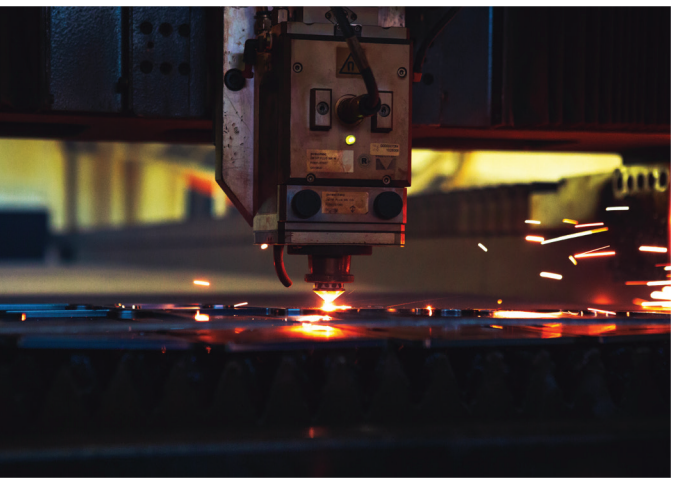

We are taking steps forward by increasing service quality gradually in addition to production quality control systems expected to be better than European standarts by adapting our production and marketting processes to the new trends.
